EKATERINA GUSAROVA

INTERACTIVE MEDIA DESIGNER

https://www.linkedin.com/in/katrina-gusarova/

I am an Interactive Media designer focused on accessibility and human-centred problem-solving, drawn to the small moments that shape trust: the confusing form, the unclear button, the quiet “I’m not sure what to do next.” I listen closely and translate what I learn into calm, inclusive experiences through design, content, and motion, helping people move through daily life with confidence and dignity.

EDUCATION

Interactive Media Design

Seneca Polytechnic — **09/2024 - 06/2026**

- GPA: 4.0/4.0 | President’s Honour List (2024, 2025) | UX/UI, Branding, Web Dev, Motion, Video, Marketing, Project Management | Led group projects.

Bachelor’s Degree in Fine Art Restoration

St. Petersburg Institute of Fine Arts & Restoration — **09/2014 - 07/2018**

- Focus on conservation and restoration ethics, materials and chemistry, museum practices, and documentation.

WORK EXPERIENCE

Digital Media Trainee

Self-Directed Projects / Toronto, Canada & Singapore — **12/2022 - present**

- Developed two end-to-end UX/UI case study and prototype, from research and problem framing to IA, flows, wireframes, and iterative testing in Figma.
- Produced cross-media deliverables including branding and graphic design, responsive web pages, motion and video content, and digital campaigns, balancing creative, technical, and business goals.

Independent Visual Artist

Small Personal Brand / Singapore — **02/2019 - 11/2022**

- Built a one-person brand on YouTube and Instagram that generated commissions and sales; delivered work for 40+ clients with about 35% returning for new projects.
- Managed end-to-end commissions across styles and budgets, including creative direction, client communication, and international packing and shipping.

Interior Design Consultant

Maria LLC / St Petersburg, Russia — **02/2018 - 05/2018**

- Translated client needs into plans, elevations, specifications, and 3D visuals; applied ergonomics, codes, and budgets.
- Prepared CAD layouts and manufacturing hand-off documentation.
